SUPER STAFFIE ADVENTURES

BE A DOG'S BEST FRIEND!

6 rules from Freddie and Vinnie for meeting dogs safely

1. **Ask first**
   Always ask the dog's owner before you stroke a dog.

2. **Let them sniff**
   Hold out the back of your hand. Let the dog come to you.

3. **Be gentle**
   Stroke their back. No hugging, kissing, poking or pulling.

4. **Let them rest**
   Leave dogs alone when they are eating or sleeping.

5. **Stay calm**
   No running, screaming or chasing around dogs.

6. **Be a tree**
   Scared of a dog? Stand still, fold your arms, look at your feet.

Grown-ups: never leave a child alone with any dog, even your own.
